The purposes of the Annual Meeting are set forth in the accompanying Notice of Annual Meeting of Stockholders.

As permitted by the rules adopted by the Securities and Exchange Commission, or SEC, we are making these proxy solicitation materials and the Annual Report for the fiscal year ended December 31, 2019, including the financial statements, available to our stockholders electronically via the Internet. A Notice of Internet Availability of Proxy Materials containing instructions on how to access our Proxy Statement and Annual Report for the fiscal year ended December 31, 2019, and how to vote will be mailed on or about Friday, April 24, 2020, to all stockholders entitled to vote at the meeting. Our principal executive offices are located at 1465 North Scottsdale Road, Suite 400, Scottsdale, AZ 85257. Our telephone number is (602) 850-5000.

**GENERAL INFORMATION ABOUT THE MEETING**

**Who May Vote**

You may vote if our records show that you own shares of Limelight as of April 9, 2020. As of the close of business on March 31, 2020, we had a total of 119,642,466 shares of common stock issued and outstanding, which were held of record by approximately 238 stockholders. As of March 31, 2020, we had no shares of preferred stock outstanding. You are entitled to one vote for each share that you own.

**Voting Your Proxy**

If a broker, bank or other nominee holds your shares, you will receive instructions from them that you must follow in order to have your shares voted. If a bank, broker or other nominee holds your shares and you wish to attend the meeting and vote in person, you must obtain a "legal proxy" from the record holder of the shares giving you the right to vote the shares.

If you hold your shares in your own name as a holder of record, you may instruct the proxy holders how to vote your common stock in one of the following ways:

- **Vote by Internet.** You may vote via the Internet by following the instructions provided in the Notice or, if you received printed materials, on your proxy card. The website for Internet voting is [www.proxyvote.com](http://www.proxyvote.com) and is also printed on the Notice and on your proxy card. Internet voting is available 24 hours per day until 11:59 p.m., Eastern Time, on June 3, 2020. When you access the website, please have your Notice or proxy card in hand. You will be required to enter the unique control number imprinted on your Notice or proxy card in order to vote online. You will receive a series of instructions that will allow you to vote your shares of common stock. You will also be given the opportunity to confirm that your instructions have been properly recorded. **IF YOU VOTE VIA THE INTERNET, YOU DO NOT NEED TO RETURN YOUR PROXY CARD.**
- **Vote by Telephone.** If you received printed copies of the proxy materials, you also have the option to vote by telephone by calling the toll-free number listed on your proxy card. Telephone voting is available 24 hours per day until 11:59 p.m., Eastern Time, on June 3, 2020. When you call, please have your proxy card in hand. You will receive a series of voice instructions that will allow you to vote your shares of common stock. You will also be given the opportunity to confirm that your instructions have been properly recorded. If you did not receive printed materials and would like to vote by telephone, you must request printed copies of the proxy materials by following the instructions on your Notice. **IF YOU VOTE BY TELEPHONE, YOU DO NOT NEED TO RETURN YOUR PROXY CARD.**

- **Vote by Mail.** If you received printed materials and would like to vote by mail, then please mark, sign and date your proxy card and return it promptly so that it is received no later than June 3, 2020, in the postage-paid envelope provided with your printed materials. If you did not receive printed materials and would like to vote by mail, you must request printed copies of the proxy materials by following the instructions on your Notice.

Of course, unless we take the step to hold the meeting remotely as part of our precautions regarding the COVID-19 outbreak, you may also choose to attend the meeting and vote your shares in person. The proxy holders will vote your shares in accordance with your instructions on the proxy card. If you sign and return a proxy card without giving specific voting instructions, your shares will be voted as recommended by our Board.

### **Matters to be Presented**

We are not aware of any matters to be presented other than those described in this Proxy Statement. If any matters not described in this Proxy Statement are properly presented at the meeting, the proxy holders will use their own judgment to determine how to vote your shares. If the meeting is adjourned, the proxy holders can vote your shares on the new meeting date as well, unless you have revoked your proxy instructions.

### **Changing Your Vote**

To revoke your proxy instructions if you are a holder of record, you must (i) advise our Corporate Secretary in writing before the proxy holders vote your shares, (ii) deliver later proxy instructions, or (iii) attend the meeting and vote your shares in person. If your shares are held by a bank, broker or other nominee, you must follow the instructions provided by the bank, broker or nominee.

### **Cost of This Proxy Solicitation**

We will pay the cost of this proxy solicitation. We may, on request, reimburse brokerage firms and other nominees for their expenses in forwarding proxy materials to beneficial owners. In addition to soliciting proxies by mail, we expect that our directors, officers and employees may solicit proxies in person or by the Internet, telephone, or facsimile. None of these individuals will receive any additional or special compensation for doing this, although we will reimburse these individuals for their reasonable out-of-pocket expenses.

### **How Votes are Counted**

The Annual Meeting will be held if a majority of the outstanding common stock entitled to vote is represented at the meeting. If you have returned valid proxy instructions or attend the meeting in person, your common stock will be counted for the purpose of determining whether there is a quorum, even if you wish to abstain from voting on some or all matters at the meeting.

### **Abstentions and Broker Non-Votes**

Shares that are voted “WITHHELD” or “ABSTAIN” are treated as being present for purposes of determining the presence of a quorum and as entitled to vote on a particular subject matter at the Annual Meeting. If you hold your common stock through a bank, broker or other nominee, the broker may be prevented from voting shares held in your account on some proposals (a “broker non-vote”) unless you have given voting instructions to the bank, broker or nominee. Shares that are subject to a broker non-vote are counted for purposes of determining whether a quorum exists but not for purposes of determining whether a proposal has passed.

### **Our Voting Recommendations**

When proxies are properly dated, executed and returned, the shares represented by such proxies will be voted at the Annual Meeting in accordance with the instructions of the stockholder. However, if no specific instructions are given, the shares will be voted in accordance with the following recommendations of our Board:

- “FOR” the election of Walter D. Amaral, Scott Genreux, and Patricia Hadden to the Board as Class I Directors;
- “FOR” ratification of Ernst & Young LLP as our independent registered public accounting firm for fiscal year 2020; and
- “FOR” non-binding advisory approval of the compensation of Limelight’s named executive officers.

### **Deadlines for Receipt of Stockholder Proposals**

Stockholders may present proposals for action at a future meeting only if they comply with the requirements of the proxy rules established by the SEC and our bylaws. Stockholder proposals that are intended to be included in our Proxy Statement and form of Proxy relating to the meeting for our 2021 Annual Meeting of Stockholders under rules set forth in the Securities Exchange Act of 1934, as amended, or the Securities Exchange Act, must be received by us no later than December 25, 2020 to be considered for inclusion.

If a stockholder intends to submit a proposal or nomination for director for our 2021 Annual Meeting of Stockholders that is not to be included in Limelight's Proxy Statement and form of Proxy relating to the meeting, the stockholder must give us notice in accordance with the requirements set forth in Limelight's bylaws no later than December 25, 2020. Limelight's bylaws require that certain information and acknowledgments with respect to the proposal and the stockholder making the proposal be set forth in the notice. A copy of the relevant bylaw provision is available upon written request to Limelight Networks, Inc., 1465 North Scottsdale Road, Suite 400, Scottsdale, AZ 85257, Attention: Corporate Secretary. You can also access our SEC filings, including our Annual Report on Form 10-K, on the SEC's website located at [www.sec.gov](http://www.sec.gov) and through our website at <https://investors.limelight.com>.

### **PROPOSAL ONE: ELECTION OF DIRECTORS**

We have a classified Board. Our Board currently consists of three Class I directors, two Class II director, and three Class III directors. At each annual meeting of stockholders, directors are elected for a term of three (3) years to succeed those directors whose terms expire on the annual meeting dates or until their respective successors are duly elected and qualified.

#### **Nominees**

The Nominating and Governance Committee of the Board selected, and the Board approved, Walter D. Amaral, Scott Genereux, and Patricia Hadden as nominees for election to Class I of the Board at the Annual Meeting. Messrs. Amaral and Genereux are now directors and were previously elected by the stockholders at the 2017 annual meeting. Ms. Hadden's appointment began on November 12, 2018. If elected, Messrs. Amaral, Genereux, and Ms. Hadden will each serve as a director until our annual meeting in 2023, until their respective successors are elected and qualified, or their earlier resignation or removal.

Unless otherwise instructed, the proxy holders will vote the proxies received by them "FOR" Messrs. Amaral and Genereux, and Ms. Hadden. If any nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for another nominee designated by the Board. We are not aware of any reason that any nominee would be unable or unwilling to serve as a director.

#### **Vote Required**

If a quorum is present, the nominees receiving the highest number of votes will be elected to the Board. Abstentions and broker non-votes will have no effect on the election of directors.

Each director in an uncontested election will be elected by the vote of the majority of the votes cast with respect to the nominee. For these purposes, a majority of the votes cast means that the number of shares voted "for" a director must exceed the number of votes cast "against" that director. In a contested election, directors will be elected under a plurality standard.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" THE ELECTION OF WALTER D. AMARAL, SCOTT GENEREUX, AND PATRICIA HADDEN TO THE BOARD OF DIRECTORS.**

## Information About the Directors and Nominees

The following table sets forth information regarding our directors and the nominees as of March 20, 2020. Below the table appears a brief account of each director's business experience and the attributes that led to the conclusion that each director should serve as a director of Limelight. We believe that each director and nominee has valuable individual skills and experiences that, taken together, provide us with the variety and depth of knowledge and judgment necessary to provide effective oversight of our business.

## **BOARD OF DIRECTORS MEETINGS AND COMMITTEES**

The Board held four meetings and acted by unanimous written consent one time during fiscal 2019. All directors attended at least 75% of the meetings of the Board and of the committees on which they served during fiscal 2019.

We encourage, but do not require, members of our board of directors to attend our annual meetings of stockholders. No directors attended our 2019 annual meeting of stockholders.

### **Board Independence**

The Board has determined that each of its current directors, except Robert A. Lento, has no material relationship with Limelight and is independent within the meaning of the Nasdaq Stock Market, Inc. ("Nasdaq") director independence standards, as currently in effect.

### **Committees of the Board of Directors**

The Board has Audit, Nominating and Governance, and Compensation Committees. Each of these committees has adopted a written charter. All members of the committees are appointed by the Board, and are non-employee directors. ### **Compensation Committee Interlocks and Insider Participation**

No member of the Compensation Committee has at any time been an officer or employee of Limelight. No executive officer of Limelight serves, or in the past year has served, as a member of the Board or Compensation Committee of any entity that has an executive officer serving as a member of our Board or Compensation Committee.

### **Stockholder Recommendations and Nominations**

Pursuant to the requirements of its charter, the Nominating and Governance Committee will review any director candidates recommended by our stockholders who are entitled to vote in the election of directors, provided that the stockholder recommendations are timely submitted in writing to our Secretary, along with all required information, in compliance with the stockholder nomination provisions of our bylaws. A stockholder desiring to recommend a candidate for election to the Board should direct the recommendation in writing to:

Corporate Secretary  
Limelight Networks, Inc.  
1465 North Scottsdale Road, Suite 400  
Scottsdale, Arizona 85257

A submitted recommendation must include the candidate's name, home and business contact information, detailed biographical data and qualifications and information regarding any relationships between the candidate and Limelight within the last three years. Any candidates properly recommended in accordance with the foregoing requirements by stockholders will be considered in such manner as the members of our Nominating and Governance Committee deem appropriate.

A stockholder desiring to nominate a person directly for election to the Board must meet the deadlines and other requirements set forth in our bylaws and the rules and regulations of the SEC. In general, these deadlines and requirements are described above under "Deadlines for Receipt of Stockholder Proposals" in this Proxy Statement.

### **Director Qualifications**

We have no stated minimum criteria for director nominees. The Nominating and Governance Committee does, however, seek for nomination and appointment candidates with excellent decision-making ability, business experience, relevant expertise, personal integrity and reputation. This committee may also consider other factors such as diversity, experience, length of service, and other commitments. This committee believes it is appropriate that at least one member of the Board meet the criteria for an audit committee financial expert as defined by the rules of the SEC, and that a majority of the members of the Board meet the independent director standard under rules of Nasdaq. This committee also believes it may be appropriate for certain members of our management, in particular the Chief Executive Officer, to participate as a member of the Board. Please see "Information About the Directors and Nominees" above for a discussion of the particular experience, qualifications, attributes or skills relative to each member of the Board that led the Board to conclude that each particular director should serve on Limelight's Board.

### **Identification and Evaluation of Nominees for Directors**

The Nominating and Governance Committee identifies nominees for the class of directors being elected at each annual meeting of stockholders by first evaluating the current members of such class of directors willing to continue in service. Current members of the Board with skills and experience that are relevant to our business and who are willing to continue in service are considered for nomination, balancing the value of continuity of service by existing members of the Board with that of obtaining a new perspective. If any member of such class of directors does not wish to continue in service or if this committee or the Board decides not to nominate a member of such class of directors for re-election, this committee identifies the desired skills and experience of a new nominee in light of the criteria above. Current members of this committee and the Board are polled for suggestions as to individuals meeting the criteria for nomination. Research may also be performed to identify qualified individuals. This committee may, in its discretion, engage third party search firms to identify and assist in recruiting potential nominees to the Board. Candidates may also come to the attention of this committee through management, stockholders or other persons.

The Nominating and Governance Committee may take such measures that it considers appropriate in connection with its evaluation of a candidate, including candidate interviews, inquiry of the person recommending the candidate, engagement of an outside search firm to gather additional information, or reliance on the knowledge of the members of the committee, the Board or management. The Nominating and Governance Committee does not implement a different evaluation process for candidates that are nominated for election to the Board by stockholders or other persons.

After such review and consideration, the Nominating and Governance Committee selects, or recommends that the Board select, the slate of director nominees.

## **The Board's Role in Risk Oversight**

It is our management's responsibility to manage risk and to bring to the Board's attention the most material risks to Limelight. The Board has oversight responsibility of the processes established to report and monitor systems for material risks applicable to Limelight. The Audit Committee regularly reviews treasury risks (insurance, credit, and debt), financial and accounting, legal and compliance risks, information technology security risks and other risk management functions. In addition, the Nominating and Governance Committee considers risks related to succession planning and oversees the appropriate allocation of responsibility for risk oversight among the committees of the Board. The Compensation Committee considers risks related to the attraction and retention of employees and risks relating to the design of compensation programs and arrangements. The Compensation Committee also reviews compensation and benefit plans affecting employees in addition to those applicable to executive officers. We have determined that it is not reasonably likely that Limelight's compensation and benefit plans would have a material adverse effect on Limelight. The full Board considers strategic risks and opportunities and regularly receives reports from the committees of the Board regarding risk oversight in their areas of responsibility.

## **Board Leadership Structure**

The Board recognizes that effective board leadership structure can be dependent on the experience, skills and personal interaction between persons in leadership roles as well as the needs of Limelight at any point in time. Our Corporate Governance Guidelines support flexibility in the structure of the Board by not requiring the separation of the roles of Chairman of the Board and Chief Executive Officer. Prior to 2013, the positions of Chairman of the Board and Chief Executive Officer were held by the same person. In 2013, the Board appointed Walter D. Amaral as its non-executive Chairman of the Board. The Board believes that its current leadership structure, with Mr. Lento serving as President and Chief Executive Officer, and Mr. Amaral serving as non-executive Chairman of the Board, is appropriate for Limelight at this time. Furthermore, currently, seven of the eight Board positions are held by very strong and sophisticated independent directors and investors with substantial business experience and expertise who collectively own a significant portion of Limelight's outstanding shares.

## **Board Diversity**

We do not have a policy as it relates to diversity in the selection of nominees for the Board. Our practice is to seek diversity in experience and viewpoint to be represented on the Board. In selecting a director nominee, the Nominating and Governance Committee focuses on skills, expertise or background that would complement the existing Board, recognizing that Limelight's businesses and operations are diverse and global in nature.

## **Annual Meeting Attendance**

We do not have a formal policy regarding attendance by members of our Board at our annual meetings of stockholders, but all directors are encouraged to attend these meetings.

## **Communicating with the Board of Directors**

Any stockholder who desires to contact any of the members of our Board may write to the following address: Board of Directors, c/o Corporate Secretary, Limelight Networks, Inc., 1465 North Scottsdale Road, Suite 400, Scottsdale, AZ 85257. Communications received in writing will be collected, organized and processed by our Secretary, who will distribute the communications to the members of the Board, as appropriate, depending on the facts and circumstances outlined in the communication received. Where the nature of the communication warrants, the Secretary may decide to obtain the more immediate attention of the appropriate committee of the Board or an independent director, or our management or independent advisors, as the Secretary considers appropriate.

## **Code of Ethics and Business Conduct**

We have adopted a code of ethics and business conduct that applies to our Chief Executive Officer, Chief Financial Officer and all other principal executive and senior financial officers and all employees, officers and directors. This code of ethics and business conduct is posted on our website. The Internet address for our website is [www.limelight.com](http://www.limelight.com), and the code of ethics may be found from our main webpage by clicking first on "About Limelight" and then on "Investors Home", next on "Corporate Governance", and finally on "Code of Ethics" under Governance Documents.

We intend to satisfy any disclosure requirement under Item 5.05 of Form 8-K regarding an amendment to, or waiver from, a provision of this code of ethics by posting such information on our website, on the webpage found by clicking through to "Code of Ethics" as specified above.

**PROPOSAL TWO: RATIFICATION OF APPOINTMENT OF  
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Board of Directors has selected Ernst & Young LLP (“EY”) to audit our consolidated financial statements for the fiscal year ending December 31, 2020. The decision of the Board of Directors to appoint EY was based on the recommendation of the Audit Committee. Before making its recommendation to the Board of Directors, the Audit Committee carefully considered that firm’s qualifications as independent registered public accounting firm. This included a review of the qualifications of the engagement team, the quality control procedures the firm has established, and any issues raised by the most recent quality control review of the firm; as well as its reputation for integrity and competence in the fields of accounting and auditing. The Audit Committee’s review also included matters required to be considered under the SEC’s Rules on Auditor Independence, including the nature and extent of non-audit services, to ensure that they will not impair the independence of the accountants. The Audit Committee expressed its satisfaction with EY in all of these respects.

Although ratification by stockholders is not required by law, the Board of Directors has determined that it is desirable to request ratification of this selection by the stockholders. Notwithstanding its selection, the Board of Directors, in its discretion, may appoint a new independent registered public accounting firm at any time during the year if the Board of Directors believes that such a change would be in the best interest of Limelight and its stockholders. If the stockholders do not ratify the appointment of EY, the Board of Directors may reconsider its selection.

EY has been engaged as our independent registered public accounting firm since fiscal year 2006. The Board of Directors expects that representatives of EY will be present at the Annual Meeting to respond to appropriate questions and to make a statement if they so desire.

**Vote Required**

If a quorum is present, the affirmative vote of a majority of the shares present and entitled to vote at the Annual Meeting will be required to ratify the appointment of EY as our independent registered public accounting firm. Abstentions will have the effect of a vote “against” the ratification of EY as our independent registered public accounting firm. Broker non-votes will have no effect on the outcome of the vote.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE “FOR” THE RATIFICATION OF ERNST &  
YOUNG LLP AS LIMELIGHT’S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER  
31, 2020.**

## AUDIT COMMITTEE REPORT

*The following report of the Audit Committee of the Board of Directors shall not be deemed to be “soliciting material” or “filed” with the SEC or incorporated by reference into any future filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, each as amended, except to the extent that we specifically incorporate it by reference into such filing.*

The Audit Committee consists of three directors, each of whom, in the judgment of the Board of Directors, is an “independent director” as defined in the listing standards for Nasdaq. The Audit Committee acts pursuant to a written charter that has been adopted by the Board of Directors. The Audit Committee Charter is available on the Limelight website at <https://investors.limelight.com>.

On behalf of the Board of Directors, the Audit Committee oversees Limelight’s financial reporting process and its internal controls over financial reporting, areas for which management has responsibility. EY, our independent registered public accounting firm, was responsible for performing an independent audit of our consolidated financial statements and for expressing an opinion as to the conformity of the consolidated financial statements with accounting principles generally accepted in the United States of America and for issuing an opinion on the effectiveness of Limelight’s internal controls over financial reporting.

In fulfilling its oversight responsibilities, the Audit Committee has reviewed and discussed with management and EY our audited consolidated financial statements for the fiscal year ended December 31, 2019, matters relating to Limelight’s internal controls over financial reporting and the processes that support the certifications of the financial statements by Limelight’s Chief Executive Officer and Chief Financial Officer. The Audit Committee also discussed with EY the scope and plan for the annual audit. In addition, the Audit Committee discussed with EY the matters required to be discussed by Auditing Standard No. 1301 “*Communication with Audit Committees*” issued by the Public Company Accounting Oversight Board (“PCAOB”) and the matters required to be discussed by the SEC. The Audit Committee also has received the written disclosures and the letter from EY as required by Rule 3526 of the PCAOB, *Communication with Audit Committees Concerning Independence* and the Audit Committee has discussed with them their independence from Limelight and management.

Based on the Audit Committee’s review of the matters noted above and its discussions with EY and our management, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in our Annual Report on Form 10-K and our Annual Report to our stockholders for the year ended December 31, 2019. The Audit Committee also selected EY as Limelight’s independent registered public accounting firm for the fiscal year ending December 31, 2020. The Board of Directors is recommending that the stockholders ratify this selection at the Annual Meeting.

Respectfully submitted by:

Walter D. Amaral, *Chairman*  
Jeffrey T. Fisher

## Audit Committee Pre-Approval Policy

Prior to the initiation of any audit related or non-audit related service, the Audit Committee is presented with a proposal for such service and an estimate of the fees for pre-approval. In the event the scope of the work requires changes from the initial proposal, the modified proposal is presented to the Audit Committee for pre-approval. The requests for pre-approvals are presented to the Audit Committee at the time of the committee's regularly scheduled meetings, or on an as-needed basis. The Audit Committee has delegated to the Chair of the Audit Committee the authority to pre-approve audit related and non-audit related services to be performed by Limelight's independent registered public accounting firm and associated fees on an as-needed basis. Such pre-approvals are reported to the full Audit Committee at its next regularly scheduled meeting. Subsequent to our initial public offering, effective on June 7, 2007, the Audit Committee has pre-approved 100% of audit related and non-audit related services by Limelight's independent registered public accounting firm.

The Audit Committee has determined the rendering of other professional services for tax compliance and tax advice by EY is compatible with maintaining their independence.

## SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following tables set forth information about the beneficial ownership of our common stock on March 31, 2020, by:

- each person known to us to be the beneficial owner of more than 5% of our common stock;
- each executive officer;
- each of our directors; and
- all of our executive officers and directors as a group.

Beneficial ownership is determined in accordance with the rules of the SEC and generally includes voting or investment power with respect to securities. Except as indicated in the footnotes to this table and pursuant to state community property laws, we believe, based on the information furnished to us, that the persons named in the table have sole voting and investment power with respect to all shares reflected as beneficially owned by them. In computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of common stock that could be issued upon the exercise of outstanding options held by that person that are currently exercisable or exercisable within 60 days of March 31, 2020 and common stock issuable upon the vesting of restricted stock units within 60 days of March 31, 2020, ignoring the withholding of shares of common stock to cover applicable taxes, are considered outstanding. These shares, however, are not considered outstanding when computing the percentage ownership of any other person. Percentage of ownership is based on 119,642,466 shares of our common stock outstanding on March 31, 2020. Beneficial ownership representing less than 1% is denoted with an asterisk (\*).

Unless otherwise indicated, the address for each of the stockholders in the table below is c/o Limelight Networks, Inc., 1465 North Scottsdale Road, Suite 400, Scottsdale, AZ 85257.

## COMPENSATION DISCUSSION AND ANALYSIS

### Compensation Philosophy and Objectives

Our compensation philosophy is to attract, motivate, and retain talented executives responsible for the success of Limelight Networks, which operates in an extremely competitive and rapidly changing part of the high technology industry. With this in mind, we strive to set our compensation programs within the appropriate competitive framework and based on the achievement of our overall financial results, individual contributions, and performance by our employees, and each executive's potential to enhance long-term stockholder value. Within this overall philosophy, our objectives are to:

- Motivate executive officers to achieve quantitative financial and qualitative non-financial objectives and create a meaningful link between achievement of these objectives and individual executive compensation;
- Align the financial interests of executive officers with those of our stockholders by providing significant equity-based incentives, while carefully considering both stockholder dilution and stock-based compensation expense; and
- Offer a competitive total compensation package that enables us to attract and retain top talent.

The Compensation Committee of the Board of Directors (the "Board") guides our compensation philosophy and objectives. The Compensation Committee uses the above-mentioned objectives as a guide in establishing the compensation programs, practices and packages offered to our executive officers. The Compensation Committee also uses these objectives in assessing the proper allocation between long- and short-term incentive compensation and cash and non-cash compensation, although we have no formal or informal policies regarding such allocations.

Throughout this Compensation Discussion and Analysis, the individuals who served as our Chief Executive Officer and Chief Financial Officer during fiscal 2019, as well as the other individuals included in the "Summary Compensation Table," are referred to as the "named executive officers."

The compensation for our named executive officers generally consists of three primary components: base salary, annual incentive bonus, and equity awards. Other compensation components include severance and change of control provisions, generally available benefits such as health insurance, 401(k) retirement benefits, and participation in our Employee Stock Purchase Program ("ESPP"), and in limited instances, special recognition cash bonuses for specific corporate achievements, as well as certain executive perquisites. Also, the Compensation Committee agreed to provide our Chief Executive Officer a housing allowance beginning in 2017 for housing maintained away from his home office in Ohio, as the Compensation Committee determined that doing so would result in cost savings compared with maintaining a lease for housing in Arizona for times when Mr. Lento worked away from his home office.

The Compensation Committee considers the proper allocation between fixed and variable compensation and long- and short-term incentives by considering the balance that is required to attract and retain executives and reward them for the short-term success of our business, while appropriately motivating the executives to strive to achieve our long-term goals. The Compensation Committee also considers the need to offer compensation packages that are comparable to those offered by companies competing with Limelight for executive talent. In allocating between cash and non-cash compensation, we generally seek to be in the middle of our peer group for cash compensation, and above average for equity based compensation so as to align the interests of our stockholders and our named executive officers. We also believe that generally available benefits (such as health benefits, 401(k) plan participation, and ESPP participation) should be competitive with the external job market, in order to allow us to attract and retain talent. The Compensation Committee, however, does not have a pre-established policy or target a specific percentile among our peers for the allocation between long- and short-term incentive compensation and cash and non-cash compensation.

### Role and Authority of the Board of Directors and the Compensation Committee

The Compensation Committee has decision-making authority with respect to the compensation of our named executive officers. In carrying out its responsibilities, the Compensation Committee may engage outside consultants and consult with Limelight's Human Resources department and other Limelight executives as the Compensation Committee determines to be appropriate. The Compensation Committee has engaged Compensia, an executive compensation consulting firm, on numerous occasions since 2007, with the most recent being in October 2019 (for fiscal 2020 compensation). The Committee has received executive compensation assessments from Compensia following each engagement. In October 2017, the Compensation Committee received advice and guidance from Compensia regarding confirmation of our executive compensation strategy and an assessment of the competitiveness of total pay packages for our senior executive officers relative to market and peers, each of which was used in the development of our executive cash compensation and equity grant planning. The Compensation Committee currently feels that it is adequately and appropriately able to assess and determine the compensation arrangements for our named executive officers based on the information provided through the Compensation Committee members' own experience and knowledge regarding compensation matters and the Compensia report process. The Compensation Committee also may obtain advice and assistance from internal or external legal, accounting, or other advisers selected by the Compensation Committee, although it did not do so for fiscal 2019. The Compensation Committee may delegate any of its responsibilities to one or more directors or to members of management, to the extent permitted by applicable law. The Compensation Committee has not delegated

any of its responsibilities with respect to the named executive officers and has no plans to do so. However, the Compensation Committee has delegated certain responsibilities to our Chief Executive Officer, as described below.

The Compensation Committee also meets as frequently as it deems necessary to address matters within its area of responsibility. During 2019, the Committee met five times and acted by unanimous written consent on two occasions. The Compensation Committee intends to review annually the base salaries, annual incentive bonuses, and long-term equity incentive awards for senior management, including the named executive officers. In recent years, the Compensation Committee has reviewed compensation components in the last quarter of each year. The Compensation Committee will, however, review and may adjust an officer's compensation at any time during the year if and when the Compensation Committee deems such review to be necessary to align that officer's compensation with our compensation philosophy and objectives. The Compensation Committee reviewed all compensation components for the senior management team (including the named executive officers) in the fourth fiscal quarter of 2019.

### **Role of Executive Officers in Compensation Decisions**

The Compensation Committee meets on occasion with our Chief Executive Officer to obtain recommendations with respect to the compensation programs, practices, and packages for our named executive officers (other than himself). At least annually, the Compensation Committee considers, but is not bound by and does not always accept, our Chief Executive Officer's recommendations. These meetings typically occur in connection with a quarterly meeting of the Board or as part of a regularly scheduled Compensation Committee meeting. Recommendations with respect to equity award grants are made as part of our formal equity award grant process, pursuant to which management submits equity award recommendations to the Chief Executive Officer (with respect only to employees whose position is at or below the level of Vice President) and/or the Compensation Committee.

Our Chief Executive Officer regularly attends meetings of the Compensation Committee, but is excused from the meetings as appropriate when matters of executive compensation in which he may have a financial interest are discussed. In addition, other executives or employees sometimes attend the Compensation Committee's meetings, but they also leave the meetings as appropriate when matters of executive compensation are discussed. The Compensation Committee considers and discusses our Chief Executive Officer's compensation package — cash compensation as well as equity awards — without him present.

The Compensation Committee has delegated limited, non-exclusive authority to our Chief Executive Officer to grant equity awards within certain parameters. The Chief Executive Officer may grant awards only with respect to employees or prospective employees at or below the level of Vice President. Our Compensation Committee has approved an Equity Grant Policy and equity award matrix that includes equity incentive ranges for employees based on title, job responsibilities, seniority, and other factors. This matrix is reviewed and approved annually by the Compensation Committee. Each month, our Human Resources department prepares a proposed grant list and confirms that the proposed awards are consistent with the equity award matrix. The proposed award list is submitted to our Chief Executive Officer at the first of the month. If approved by our Chief Executive Officer by the second Tuesday of the month, then the awards are effective as of the second Tuesday of the month and the per share exercise price is set at the closing price of our common stock on Nasdaq on that grant date. If our Chief Executive Officer's approval of the proposed list is not obtained by the second Tuesday of the month, then the proposed awards are carried over for consideration the following month.

### **Role of Compensation Consultant**

As noted, the Compensation Committee has engaged the compensation consulting firm Compensia on numerous occasions since 2007, with the most recent being in October 2019 (for fiscal 2020 compensation) to advise the Compensation Committee regarding the role of market data in the compensation determination process, provide a review of emerging trends and best practices in executive compensation, assess the competitiveness of our current executive compensation, and provide considerations for the Compensation Committee. The Compensia reports advised the Compensation Committee regarding the role of market data in the compensation determination process, provided a review of emerging trends and best practices in executive compensation, assessed the competitiveness of our current executive compensation, and provided considerations for the Compensation Committee. Compensia's analysis included base salary, annual incentive cash bonus, and equity awards for the surveyed group described below. The Compensia data is used as a tool in making recommendations to the Compensation Committee on compensation adjustments that are consistent with our compensation philosophy, objectives, and goals.

Other than Compensia's periodic review of Board member and non-executive officer employee compensation, Compensia does not provide any additional services to us. Compensia provided its services to the Compensation Committee only. The Compensation Committee assessed the independence of Compensia and concluded that its work has not raised any conflicts of interest.

The Compensation Committee utilized the October 2017 Compensia report, and the advice and guidance provided by Compensia, as tools to compare our executive compensation program for fiscal 2019 to the market. Compensia surveyed technology companies that published their pay practices. The employers included in the survey were Internet/cloud/digital media, wireless telecommunications, or software companies with revenue for the prior four quarters between \$118 million to \$355 million and that had employees with similar experience and education levels to our employees. In order to maintain competitiveness within the marketplace, the Compensation Committee considered this peer group data in determining our executive compensation. The companies surveyed in its October 2017 report included Bazaarvoice, Boingo Wireless, BroadSoft, Carbonite, Care.com, ChannelAdvisor, Digi International, Five9, Glu Mobile, Internap Network Services, LivePerson, MobileIron, Model N, QAD, QuinStreet, and Tucows. For the 2019 Compensia report (used for fiscal 2020 compensation), Bazaarvoice and BroadSoft (acquired) and Glu Mobile and QuinStreet were each removed as peers, and

Brightcove, Cloudflare, Fastly, Ooma, Synchronoss Technologies, Telenav, The Meet Group, and Travelzoo were each added as peers. As noted, the Compensation Committee does not have a pre-established policy or target a specific percentile among the peer group for the allocation between long- and short-term incentive compensation and cash and non-cash compensation.

### Components of Compensation

The components of our 2019 executive compensation include:

- Base salary;
- Annual incentive bonus;
- Equity-based incentive awards;
- Severance and change of control protection;
- Retirement benefits provided under a 401(k) plan;
- Perquisites and personal benefits; and
- Generally available benefit programs.

The Compensation Committee selected these components because it believes each is necessary to help us attract and retain the executive talent on which our success depends. The Compensation Committee believes that this set of components is effective and will continue to be effective in achieving the objectives of our compensation program and philosophy. The Compensation Committee, however, will review these elements of compensation on occasion and will alter or add to the elements if it believes that changes will improve our compensation objectives.

The Compensation Committee reviews the entire executive compensation program (other than retirement benefits under the 401(k) plan and generally available benefit programs) on at least an annual basis. However, the Compensation Committee at any time may review one or more components as necessary or appropriate to ensure such components remain competitive, appropriately designed to reward performance, and aligned with our compensation philosophy and objectives. Additionally, the Compensation Committee considered the results of our last non-binding advisory stockholder vote on the compensation of our named executive officers in June 2017, commonly referred to as a say-on-pay proposal. Our stockholders approved the compensation of our named executive officers with approximately 87% of stockholder votes cast in favor of the 2017 say-on-pay proposal. We were mindful of the support our stockholders expressed for our named executive officer compensation programs and, as a result, we decided to retain our general approach to our executive compensation programs. We hold such say-on-pay votes every three years, as approved by our stockholders in a non-binding advisory vote at our annual meeting in June 2017. We are holding another say-on-pay vote at this Annual Meeting.

In fiscal 2019, the use and weight of the executive compensation components were based on a subjective determination by the Compensation Committee of the importance of each component in meeting our overall compensation objectives. This included our incentive and retention needs, the need to align incentives with our stockholders' interests, and our goal of staying competitive within the external job marketplace, as evidenced by the Compensia survey noted above and by the general experience and knowledge of our Compensation Committee members. The Compensation Committee reviews the base salary, total cash compensation, and equity compensation of our named executive officers relative to market comparables based on the data provided by Compensia in 2017, comparative market data provided by management, and the Compensation Committee members' own experience and knowledge, and has moved these elements of compensation toward market averages. For fiscal 2019, the Compensation Committee considered market compensation data amongst our peers as follows, with total cash compensation generally aligning nearer the middle of the range and equity generally aligning nearer the upper end of the range:

<b>Element of Compensation</b>	<b>Percentile</b>
Base Salary	25 <sup>th</sup> to 75 <sup>th</sup>
Total Cash	25 <sup>th</sup> to 75 <sup>th</sup>
Equity	50 <sup>th</sup> to 75 <sup>th</sup>

Though the Compensation Committee considered this data, the Compensation Committee did not target a specific percentile in establishing executive compensation.

**Base Salary and the 2019 Stock for Salary Program.** We provide base salary to our named executive officers and other employees to compensate them for services rendered on a day-to-day basis during the fiscal year.

The Compensation Committee reviews executive officer base salaries in conjunction with our annual performance review process. During this process, the Chief Executive Officer will review the performance of the named executive officers (other than himself) and will report those findings to the Compensation Committee. A named executive officer's personal performance will be judged in part on whether our business objectives are being met. In setting base salary, management and the Compensation Committee considers each named executive officer's experience, skills, knowledge, responsibilities, and performance, Limelight's performance as a whole, and the report and recommendations of our Chief Executive Officer (other than for himself). An assessment of a named executive officer's personal performance is qualitative, with much reliance on our Chief Executive Officer's subjective evaluation of a named executive officer's personal performance (other than his own personal performance) and the Compensation Committee's experience and knowledge regarding compensation matters. No specific weight is attributed to any of the factors considered by the Compensation Committee in setting base salary changes. For newly hired named executive officers, the Compensation Committee also considers the base salary of the individual at his or her prior employment and any unique personal circumstances that motivated the executive to leave that prior position and join us. The Compensation Committee aims to keep salaries in line with the external job market. Increases over the prior year's base salary will be considered within the context of our overall annual compensation adjustment budget to ensure that any increases are fiscally prudent and feasible for us. The Compensation Committee does not apply specific formulas to determine increases. There is no process in setting these annual merit increase budgets other than the annual business planning process.

During fiscal 2019, base salaries for Messrs. Lento, Malhotra, Marth, DiSanto, and Silverman were \$480,000, \$365,000, \$250,000, \$328,000, and \$305,000, respectively. These were increases from fiscal 2018 levels for each individual, except for Mr. Lento whom the Compensation Committee determined should receive a higher percentage of his target cash compensation in 2019 versus 2018 as an annual incentive bonus, and except for Mr. Marth who started on January 1, 2019. In determining these base salary levels, the Compensation Committee relied on the factors discussed above.

*The 2019 Stock for Salary Program.* The Compensation Committee approved a stock for salary program for fiscal 2019, wherein eligible participants elected to receive payment of half of their respective 2019 base salary in fully-vested shares of Limelight's common stock, beginning on February 1, 2019. This program was developed to demonstrate the Board and management's confidence in Limelight's ability to execute against 2019 guidance.

Messrs. Lento, Malhotra, and DiSanto each participated in the program. Once an election was made, it ran for the full year 2019 and was irrevocable, and the program would automatically terminate on the earlier to occur of January 1, 2020, or the date upon which the Limelight's common stock trades on Nasdaq at \$4.00 per share or greater.

On the last trading day of each calendar month, each participant received the number of fully-vested shares of our common stock determined by dividing (i) 1/12th of his enrolled salary by (ii) the trailing 30-day closing average of Limelight common stock, rounded up to the nearest whole share. The shares of Limelight common stock were issued under Limelight's Amended and Restated 2007 Equity Incentive Plan (the "Equity Incentive Plan"). With Limelight's common stock trading on Nasdaq at over \$4.00 per share, this plan automatically terminated in October 2019. Amounts corresponding to the grant date fair values of shares acquired each month are reflected within the stock awards column of the Summary Compensation Table for Messrs. Lento, Malhotra, and DiSanto.

**Annual Incentive Bonuses.** We have utilized incentive bonuses to reward performance achievements and have in place annual target incentive bonuses for certain of our executive officers, payable either in whole or in part, depending on the extent to which the financial performance goals set by the Compensation Committee are achieved. During fiscal 2019, the target bonus amounts for Messrs. Lento, Malhotra, DiSanto, and Silverman were increased to \$465,000, \$245,000, \$177,000, and \$170,000, respectively, because the Compensation Committee felt that the increase from prior year was warranted given then current market conditions. The target bonus for Mr. Marth, who started on January 1, 2019, was \$225,000.

Under our 2019 Management Bonus Plan, incentive bonuses for all of the participants, including the participating named executive officers, were determinable based upon two measures of corporate financial performance that comprised 100% of the potential target payout, and one additional corporate strategy component that, if achieved, would result in up to an additional 10% of the potential target payout. Specifically, corporate financial performance was measured against our total revenue (50%) and our adjusted EBITDA (50%). The corporate strategy component of the 2019 Management Bonus Plan was based on our revenue for all products except for our Deliver product for fiscal 2019 ("non-deliver revenue"). The Compensation Committee selected these performance goals because it believed that these measures aligned with the 2019 priorities for our business and reflected value generated for our stockholders, and therefore relying on these goals for the determination of the bonuses tied payment of bonuses to creation of stockholder value.

For each of the two financial performance components, the Compensation Committee established a floor, a target, and a ceiling. With respect to the portion of the bonus based upon each performance criteria, the participating executive could earn between zero and 100% ratably based on attainment between the floor and the target. Bonuses in excess of the target bonus amounts for the participants could be earned for financial performance in excess of the performance goal targets established by the Compensation Committee under our 2019 Management Bonus Plan. Each participant could earn between 100% and 300% ratably for each of the financial performance target, each based on attainment between the target and the ceiling. Even though a participant could achieve up to a 300% ceiling on certain individual corporate performance components, the total bonus amount payable to each participant was capped at 200% of his or her target bonus, plus up to 10% of his or her target bonus for achievement of the non-deliver revenue target, for a total maximum bonus of 210% of his or her target bonus. Nevertheless, cumulative achievement of the total revenue and adjusted EBITDA performance criteria was capped at 100%, plus up to 10% for non-deliver revenue over-achievement, unless the Company achieved at least \$28 million of

adjusted EBITDA. Accordingly, each participant in our 2019 Management Bonus Plan could earn between 0% and 210% of his or her target bonus depending upon the Company's level of attainment or over-attainment of the performance goals, as well as the Company exceeding the adjusted EBITDA threshold. The revenue floor, target, and ceiling for each component were as follows:

Total Revenue Targets (50%):

	Floor	Target	Ceiling
Total Annual Revenue (in millions)	\$200	\$215	\$230
Percent attainment of Total Revenue component of the Target Bonus Amount	0%	100%	300%

Adjusted EBITDA Targets (50%):

	Floor	Target	Ceiling
Adjusted EBITDA (in millions)	\$28	\$32	\$40
Percent attainment of Adjusted EBITDA component of the Target Bonus Amount	0%	100%	300%

For the non-delivery revenue component, the participating executive could earn up to an additional 10% of his target bonus amount based on our strategic initiatives revenue for fiscal 2019. The participant's Target Bonus Amount will be increased 1% for every \$1 million of non-delivery revenue over \$40.9 million, up to a maximum of 10%. The Compensation Committee was responsible for determination of the attainment, or level of attainment, of the non-financial component and any over achievement thereof.

The table below illustrates the minimum, target, and maximum bonus amounts potentially payable to our named executive officers under the 2019 Management Bonus Plan:

Name	2019 Management Bonus Plan		
	Minimum	Target	Maximum
Robert Lento	\$ 0	465,000	976,500
Sajid Malhotra	0	245,000	514,500
Thomas Marth	0	225,000	472,500
Michael DiSanto	0	177,000	371,700
Kurt Silverman	0	170,000	357,000

At the time that the 2019 Management Bonus Plan was developed, the Compensation Committee believed that these targets presented achievable goals, but were not necessarily certain, and achievement depended upon successful execution of our business plan. Bonuses are reviewed and approved by the Compensation Committee, which determined the performance and operational criteria necessary for award of such bonuses. The actual bonus amount earned by each participating executive was determined by the Compensation Committee based upon attainment of the performance criteria after our 2019 financial results were reviewed and approved by the Audit Committee of the Board. Applying the formula described herein to our 2019 financial performance, the Compensation Committee determined that this would have resulted in a payout of approximately 10% of the total target amount for the 2019 Management Bonus Plan. However, the Compensation Committee acknowledged that despite Limelight's performance under the 2019 Management Bonus Plan, Limelight achieved strong financial performance in the second half of 2019, record revenue and revenue growth rates in the fourth quarter, important operational metrics, and it increased shareholder value throughout fiscal 2019. The Compensation Committee determined that it was in the best interests of Limelight and the stockholders to exercise discretion within its authority in awarding bonus payment with respect to all 2019 Management Bonus Plan participants at up to 50% of target. Payouts would consist of the bonus paid in fully-vested restricted stock units in two installments following the release of the financial results for the first and second quarter of 2020. Participants included Limelight's principal executive officer, principal financial officer, and the other named executive officers.

Accordingly, the Compensation Committee authorized and approved a payment of annual bonuses to the 2019 Management Bonus Plan participants, including our named executive officers. Messrs. Lento, Malhotra, Marth, DiSanto, and Silverman will receive bonuses of up to \$232,500, \$122,500, \$112,500, \$88,500, and \$85,000, respectively, paid in restricted stock units, which represents approximately 48%, 34%, 45%, 27%, and 28% of their annual base salary in 2019.

**Long-Term Incentive Program.** The principal goals of our long-term equity-based incentive program are to align the interests of our named executive officers with our stockholders and to provide each named executive officer with a significant incentive to manage Limelight from the perspective of an owner with an equity stake in the business. Another goal of the long-term equity-based incentive program is to provide a competitive overall compensation package that will enable us to attract and retain talented executives. The Compensation Committee believes that unvested equity awards are a key factor in motivating and retaining executive personnel, as well as incentivizing executive personnel to preserve the current value and grow the future value of our stock, thereby furthering the interests of our other stockholders.

Equity-based awards granted for fiscal 2019 to our named executive officers were granted under our Equity Incentive Plan and were approved by the Compensation Committee. Our Equity Incentive Plan provides the Compensation Committee discretion to grant equity to employees in many forms. The Compensation Committee selected restricted stock units and stock options, as it believes that

these forms address the goals of our long-term incentive program. Specifically, stock options maintain a strong linkage between realizable compensation and stockholder value creation, while restricted stock units further retention objectives. The Compensation Committee generally addresses annual refresh grants for the executive officers in the fourth fiscal quarter of each year. The Compensation Committee will, however, periodically consider equity award grants as may be necessary or appropriate to achieve the objectives of the long-term incentive component of the overall executive compensation program.

The Compensation Committee determined the appropriate size of long-term equity-based incentives awarded for fiscal 2019 to our named executive officers to meet our attraction, retention, and business objectives by reviewing and considering the following factors:

- each named executive officer's experience, skills, knowledge, responsibilities, and position within Limelight;
- competitive market data;
- the number and value of each named executive officer's then current equity award holdings;
- the number of unvested equity awards and exercise price and retentive value of unvested stock options in relation to the then current market value;
- each named executive officer's total compensation;
- each named executive officer's personal performance;
- the importance of each named executive officer's anticipated contributions to the development of long-term value creation; and
- the Compensation Committee members' experience and knowledge with respect to equity compensation.

The Compensation Committee has not formalized the process by which it will take an individual's performance or other factors into account, but may do so in the future. There is no specific weight given to any one of these elements of personal performance, nor are there particular metrics associated with any one of these elements. Rather than measuring each named executive officer's personal performance against formal personal performance goals or elements, we rely on the Chief Executive Officer's subjective evaluation of each named executive officer's personal performance (other than himself) and the Compensation Committee's experience and knowledge regarding compensation matters to evaluate the personal performance of the Chief Executive Officer and other named executive officers and to determine appropriate compensation for such officers. The Compensation Committee also relied, in part, on peer group compensation data and extant equity award valuation analyses provided by Compensia during October 2019 in determining the appropriate equity grant amounts awarded in fiscal 2019 to our named executive officers.

On a total company basis, when appropriate, the Compensation Committee also analyzes the number of shares:

- used by us during the year with respect to new equity awards (i.e., burn rates);
- subject to outstanding equity awards relative to the total number of shares issued and outstanding (i.e., issued equity overhang); and
- subject to outstanding equity awards and available for future grants relative to the total number of shares issued and outstanding (i.e., total equity overhang).

The Compensation Committee believes that analyzing the above factors allows it to assess whether granting additional awards to the named executive officers is prudent based on the pool of shares we have available for grants to all of its service providers and to take into consideration the impact on the dilution of stockholder interests and overhang.

Based on these factors, the Compensation Committee authorized and approved the following long-term incentive program awards described herein during fiscal 2019:

- In connection with his appointment as Senior Vice President, Sales, on January 1, 2019, Mr. Marth received 200,000 restricted stock units and on February 1, 2019, Mr. Marth received stock options to purchase 200,000 shares of our common stock, each pursuant to the Equity Incentive Plan. One quarter (1/4th) of the restricted stock units vested on the first day of March, 2020, and an additional one quarter (1/4th) will vest on March 1st for three (3) additional years, provided that Mr. Marth continues to be a service provider to Limelight through the vesting date. One-quarter (1/4th) of the shares subject to the stock option vested on January 1, 2020 (the "Vesting Commencement Date"), and one-thirty-sixth (1/36th) of the shares subject to the stock option vested on the 1st day of February, 2020, and will vest on the 1st day of each month thereafter until all of the stock options have vested (three years), provided that Mr. Marth continues to be a service provider with Limelight through each such vesting date. The sizes of Mr. Marth's grants were determined based on the factors described above, as well as the arm's length negotiations between the parties. The four-year time-based vesting schedules applied to the new hire equity awards provide both a strong retention tool and also balances Mr. Marth's focus on our short-term and long-term goals.

- On November 12, 2019, Messrs. Lento, Malhotra, Marth, DiSanto, and Silverman received 261,400, 100,000, 76,910, 75,000, and 70,000 restricted stock units, and stock options to purchase 520,030, 198,940, 153,000, 149,210, and 139,260 shares of our common stock respectively, each pursuant to the Equity Incentive Plan. One-third (1/3<sup>rd</sup>) of the restricted stock units will vest on December 1, 2020, one-twelfth (1/12<sup>th</sup>) of the restricted stock units will vest on March 1, 2021, and an additional one-twelfth (1/12<sup>th</sup>) will vest on the first day of each June, September, December and March thereafter for seven (7) consecutive quarters, provided the recipient continues to be a service provider to Limelight through each such vesting date. One-third (1/3<sup>rd</sup>) of the shares subject to the stock option will vest on December 1, 2020, and one-thirty-sixth (1/36<sup>th</sup>) of the shares subject to the stock option will vest on the 1<sup>st</sup> day of January, 2021 and on the 1<sup>st</sup> day of each month thereafter until all of the stock options have vested (three years), provided the recipient continues to be a service provider to Limelight through each such vesting date. The sizes of these grants were determined based on the factors described above. The three-year time-based vesting schedules applied to the equity awards provide both a strong retention tool and also balances each executive's focus on our short-term and long-term goals.

With respect to non-named executive officers, equity award grants are generally made within grant guidelines established by the Compensation Committee, in consultation with management, based on job grade, job title, responsibility level, seniority level, or other factors, which may include the competitive hiring marketplace. Customarily, the Compensation Committee considers annual equity awards for employees other than named executive officers in the first quarter each year. With respect to the named executive officers, the Chief Executive Officer makes recommendations on such guidelines and the named executive officer's actual grants (other than his own). The grant guidelines assist us in keeping equity grants within the budgeted grant pool approved by the Compensation Committee, and thereby efficiently managing the available equity pool and its overhang.

**Equity Award Practices.** We may grant a mix of options and restricted stock units in situations where the compensation philosophy and objectives would be best met by doing so. In prior years, our equity awards extended to most employees. Beginning in 2009, we concentrated equity awards among those positions with the greater opportunity to affect our financial performance and have continued with this practice each year. The vesting schedules applied to equity awards, usually three or four years, provide both a strong retention tool and also balances each executive's focus on our short term and long term goals.

Prior to September 2007, the effective grant date for all equity awards to our named executive officers was the date on which the Compensation Committee or the Board approved the grant. Historically, this was accomplished through actions by unanimous written consent. In September 2007, our Board adopted a policy providing for approval of equity awards in advance of a future effective grant date. We follow this granting policy as a best practice approach recommended by outside counsel. All stock options granted to the named executive officers have a per share exercise price equal to the fair market value of a share of our common stock on the grant date.

#### **Employment Agreements, Severance and Change of Control Benefits**

**Employment Agreements.** We have written employment agreements with certain executive officers, including each of our named executive officers. Each agreement provides that the executive's employment with Limelight is "at-will" and may be terminated at any time by either party, either with or without cause, upon written notice to the other party. Depending upon the circumstances of the executive's termination, the executive may be entitled to certain severance benefits or change of control benefits. Please see "Potential Payments upon Termination or Change of Control" below for further information on severance or change of control benefits.

##### ***Mr. Lento***

On January 22, 2013, we entered into an employment agreement with Mr. Lento to become our President and Chief Executive Officer. On February 23, 2016, we entered into the first amendment to this agreement with Mr. Lento. Pursuant to the terms of Mr. Lento's employment agreement, as amended, Mr. Lento's annual salary for 2019 was \$480,000. Mr. Lento's salary is subject to annual review. Mr. Lento is eligible to receive an annual cash incentive bonus payable based on achievement of performance goals established by our Compensation Committee. For calendar year 2019, Mr. Lento's annual target incentive bonus was \$465,000. The earned annual incentive bonus payable to Mr. Lento depended upon the extent to which our applicable performance goals were achieved. Mr. Lento's actual paid bonus for 2019 will be up to \$232,500 in equity. In fiscal 2019, we also issued Mr. Lento 261,400 restricted stock units and an option to purchase 520,030 shares of our common stock, each pursuant to our Equity Incentive Plan. Mr. Lento's employment agreement further provides that we will reimburse Mr. Lento for certain expenses for reasonable travel, entertainment, and other business expenses, including professional association fees, incurred by him in furtherance of the performance of his employment duties.

##### ***Mr. Malhotra***

On March 24, 2014, we entered into an employment agreement with Mr. Malhotra, our then Senior Vice President, Strategy, Facilities, Investor Relations & Procurement. On June 18, 2015, we entered into the first amendment to this agreement with Mr. Malhotra, following which Mr. Malhotra became our Chief Strategy Officer. On February 23, 2016, we entered into the second amendment to this agreement with Mr. Malhotra. Pursuant to the terms of Mr. Malhotra's employment agreement, as amended, Mr. Malhotra's annual salary for 2019 was \$365,000. Mr. Malhotra was eligible to receive an annual cash incentive bonus payable based on achievement of performance goals established by our Compensation Committee. For 2019, Mr. Malhotra's annual target incentive bonus was \$245,000. The earned annual incentive bonus payable to Mr. Malhotra depended upon the extent to which our applicable performance goals were achieved. Mr. Malhotra's actual paid bonus for 2019 will be up to \$122,500 in equity. In fiscal 2019, Limelight also issued Mr. Malhotra 100,000 restricted stock units and a stock option to purchase 198,940 shares of our common stock, each pursuant to our Equity Incentive Plan.

Mr. Marth was eligible to receive an annual incentive bonus payable based on achievement of performance goals established by our Compensation Committee. For 2019, Mr. Marth's annual target incentive bonus was \$225,000. The earned annual cash incentive bonus payable to Mr. Marth depended upon the extent to which our applicable performance goals were achieved. Mr. Marth's actual paid bonus for 2019 will be up to \$112,500 in equity. In fiscal 2019, we issued Mr. Marth a total of 353,000 restricted stock units and stock options to purchase 276,910 shares of our common stock, each pursuant to our Equity Incentive Plan. Mr. Marth's employment agreement further provides that we will reimburse Mr. Marth for certain expenses for reasonable travel, entertainment, and other business expenses, including professional association fees, incurred by him in furtherance of the performance of his employment duties.

***Mr. DiSanto***

On March 10, 2015, we entered into an employment agreement with Michael DiSanto, our Senior Vice President, Chief Administrative and Legal Officer & Secretary. On June 18, 2015, we entered into the first amendment to this agreement with Mr. DiSanto. On February 23, 2016, we entered into the second amendment to this agreement with Mr. DiSanto. Pursuant to the terms of Mr. DiSanto's employment agreement, as amended, Mr. DiSanto's annual salary for 2019 was \$328,000. Mr. DiSanto was eligible to receive an annual incentive bonus payable based on achievement of performance goals established by our Compensation Committee. For 2019, Mr. DiSanto's annual target incentive bonus was \$177,000. The earned annual cash incentive bonus payable to Mr. DiSanto depended upon the extent to which our applicable performance goals were achieved. Mr. DiSanto's actual paid bonus for 2019 will be up to \$88,500 in equity. In fiscal 2019, we issued Mr. DiSanto a total of 75,000 restricted stock units and a stock option to purchase 149,210 shares of our common stock, each pursuant to our Equity Incentive Plan. Mr. DiSanto's employment agreement further provides that we will reimburse Mr. DiSanto for certain expenses for reasonable travel, entertainment, and other business expenses, including professional association fees, incurred by him in furtherance of the performance of his employment duties.

***Mr. Silverman***

On August 20, 2013, we entered into an employment agreement with Kurt Silverman, our Senior Vice President, Development & Delivery. On February 23, 2016, we entered into the first amendment to this agreement with Mr. Silverman. Pursuant to the terms of Mr. Silverman's employment agreement, as amended, Mr. Silverman's annual salary for 2019 was \$305,000. Mr. Silverman was eligible to receive an annual incentive bonus payable based on achievement of performance goals established by our Compensation Committee. For 2019, Mr. Silverman's annual target incentive bonus was \$170,000. The earned annual cash incentive bonus payable to Mr. Silverman depended upon the extent to which our applicable performance goals were achieved. Mr. Silverman's actual paid bonus for 2019 will be up to \$85,000 in equity. In fiscal 2019, we issued Mr. Silverman 70,000 restricted stock units and a stock option to purchase 139,260 shares of our common stock, each pursuant to our Equity Incentive Plan. Mr. Silverman's employment agreement further provides that we will reimburse Mr. Silverman for certain expenses for reasonable travel, entertainment, and other business expenses, including professional association fees, incurred by him in furtherance of the performance of his employment duties.

**Severance Benefits.** We believe that providing severance benefits for our named executive officers is necessary to attract and retain executive talent, and is accordingly consistent with our compensation philosophy and objectives. Severance benefits for the named executive officers is also appropriate as we believe that it is likely that an executive who is relieved of his or her position without cause may require an extended period of time to obtain other similar employment.

During fiscal 2019, the employment agreements between us and each of our named executive officer generally provide that if the executive is terminated without cause, or if the executive resigns for good reason, and the termination is not in connection with a change of control, then the executive will be entitled to the following severance benefits: (i) continued payment of executive's base salary for twelve months, (ii) actual, earned cash bonus for the year in which termination occurs prorated to the date of termination (or 1 year of target bonus), and (iii) reimbursement for premiums paid for continued health benefits for the executive and eligible dependents under our health plans until the earlier of twelve months after termination or until executive and eligible dependents are covered under another health insurance program. Payment of severance benefits is conditioned on the executive making certain covenants with us as described below under "Material Conditions to or Obligations of Severance" in the "Potential Payments upon Termination or Change of Control" section below.

If a named executive officer voluntarily resigns his employment (without good reason), or his employment is terminated for cause, then the named executive officer is entitled generally only to compensation earned through the date of termination. More particularly, the named executive officer would be entitled to his base salary through the date of termination, and unpaid but earned and accrued annual bonus for a fiscal year completed prior to the termination of employment. All further vesting of outstanding equity awards would also cease as of the date of termination.

In the event a named executive officer's employment is terminated due to death or disability, then twenty-five (25%) percent of the executive's then outstanding and unvested equity awards will vest.

**Change of Control Benefits.** We believe that providing certain benefits for the named executive officers in connection with a change of control is necessary to attract and retain executive talent. Further, we believe that change of control arrangements are an important part of overall compensation for the named executive officers because they will assist us in maximizing stockholder value by allowing executives to participate in an objective review of any proposed transaction and whether such proposal is in the best interest of the stockholders, notwithstanding any concern the executive might have regarding his or her continued employment prior to or following a change in control or other personal financial interest.

During fiscal 2019, the employment agreements between Limelight and each named executive officer generally provide that, in the event of a change of control, fifty percent (50%) of each executive's then outstanding and unvested equity awards will vest, with such accelerated vesting to be applied in reverse order such that the equity awards with the latest vesting date first become non-forfeitable; provided, that there remain at least six months of the vesting term after the application of the reverse order vesting.

If the executive is terminated without cause or resigns for good reason, in each case in connection with a change of control, then the executive is entitled to the following benefits: (i) continued payment of executive's then current base salary for 24 months, (ii) 200% of the executive's target cash bonus for the year in which termination occurred, (iii) immediate accelerated vesting of all outstanding, unvested equity awards, and (iv) reimbursement for premiums paid for continued health benefits for the executive and eligible dependents under our health plans until the earlier of 12 months after termination or until executive is covered under another health insurance program. Furthermore, to the extent such benefits constitute "parachute payments" within the meaning of Section 280G of the Internal Revenue Code and will be subject to the excise tax imposed by Section 4999 of the Internal Revenue Code, then executive's severance benefits payable will be either (a) delivered in full, or (b) delivered as to such lesser extent which would result in no portion of such severance benefits being subject to the excise tax, whichever of the foregoing amounts, taking into account the applicable federal, state and local income taxes and the excise tax, results in the receipt by executive on an after-tax basis, of the greatest amount of severance benefits.

The terms "cause," "good reason," and "change of control" are used substantially consistently among the employment agreements with the named executive officers. Generally, the term "cause" or "for cause" means termination of employment as a result of:

- Acts or omissions constituting gross negligence, recklessness or willful misconduct on the part of an executive with respect to his or her obligations under the employment agreement or otherwise relating to our business;
- Repeated or habitual neglect of executive's duties or responsibilities that continues after notice of such neglect, or failure or refusal to carry-out the legitimate assignments given by the Chief Executive Officer or the Board;
- Any act of personal dishonesty in connection with his or her responsibilities as a Limelight employee with the intention or reasonable expectation that such action may result in substantial personal enrichment;
- Conviction of, or plea of nolo contendere to, a felony that the Board reasonably believes has had or will have a material detrimental effect on our reputation or business;
- A breach of any fiduciary duty owed to us by executive that has a material detrimental effect on our reputation or business;
- Executive being found liable in any Securities and Exchange Commission or other civil or criminal securities law action or entering any cease and desist order with respect to such action (regardless of whether or not executive admits or denies liability);
- (A) Obstructing or impeding; (B) endeavoring to obstruct, impede or improperly influence; or (C) failing to materially cooperate with, any investigation authorized by the Board or any governmental or self-regulatory entity (an "Investigation"). However, executive's failure to waive attorney-client privilege relating to communications with executive's own attorney in connection with an Investigation will not constitute "cause"; or
- Disqualification or bar by any governmental or self-regulatory authority from serving in the capacity contemplated by his or her employment agreement or executive's loss of any governmental or self-regulatory license that is reasonably necessary for executive to perform his or her responsibilities to us under the employment agreement, if (A) the disqualification, bar or loss continues for more than 30 days, and (B) during that period, we use good faith efforts to cause the disqualification or bar to be lifted or the license replaced.

Generally, the term "good reason" means executive officer's voluntary resignation of employment because of the existence of any of the following reasons and which reason(s) continue following the expiration of any cure period (as discussed below), without the executive's written consent:

- A material reduction without his consent of the executive's title, authority, duties, or responsibilities from those in effect immediately prior to the reduction, or an adverse change in the executive's reporting responsibilities; provided however, a sale, separation or spin-off of a portion of our business operations, provided Limelight remains a going concern and provided executive's duties, position and responsibilities with respect to the remaining business operations are not materially reduced will also not be considered a basis for good reason resignation;

- A material reduction in executive’s cash compensation (either base salary, or base salary and annual incentive target combined) as in effect immediately prior to such reduction. Notwithstanding the foregoing, a one-time reduction that also is applied to our other similarly situated executive officers and which one-time reduction reduces the cash compensation by a percentage reduction of 10% or less in the aggregate will not be deemed material and will not constitute “good reason”;
- A failure by us to require any successor entity to Limelight specifically to assume all of our obligations to the executive under his or her employment agreement;
- A material change in the geographic location from which Executive must perform services (that is, a requirement that executive relocate his permanent residence from his then-current location or travel for business more than 10 calendar days each month); or
- A material breach by us (or our successor) of any material contractual obligation owed executive pursuant to the employment agreement (including, without limitation, the failure of us to obtain the assumption of the employment agreement by a successor) that is not cured following notice and a reasonable cure period.

The executive cannot resign for good reason without first providing us with written notice within thirty (30) days of the event that the executive believes constitutes “good reason” specifically identifying the acts or omissions constituting the grounds for good reason and a reasonable cure period of not less than thirty (30) days.

Generally, the term “change of control” means the occurrence of any of the following events:

- The consummation by us of a merger or consolidation with any other corporation, other than a merger or consolidation which would result in our voting securities outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity) more than 50% of the total voting power represented by our voting securities or such surviving entity outstanding immediately after such merger or consolidation;
- The approval by our stockholders, or if stockholder approval is not required, approval by the Board, of a plan of our complete liquidation or an agreement for the sale or disposition by Limelight of all or substantially all of our assets; or
- Any “person” (as such term is used in Sections 13(d) and 14(d) of the Securities Exchange Act) becoming the “beneficial owner” (as defined in Rule 13d-3 under said Act), directly or indirectly, of our securities representing 50% or more of the total voting power represented by our then outstanding voting securities.

The term “in connection with a change of control” generally means a termination of executive’s employment within three months prior to the execution of an agreement that results in a change of control or twelve months following a change of control.

Payment of change of control benefits is conditioned on the executive making certain covenants with us as described below under “Material Conditions to or Obligations of Severance.”

The tables below show the potential payments and benefits each of the named executive officers would have been entitled to receive in the event of a change of control (assuming that a successor entity assumes, substitutes or continues outstanding equity awards) or if each such officer’s employment had been terminated under the following circumstances as of December 31, 2019. Due to a number of factors that affect the nature and amount of any potential payments or benefits, any actual payments and benefits may be different.

Lento, Malhotra, Marth, DiSanto, and Silverman.

**Material Conditions to or Obligations of Severance.** The receipt of severance or change of control benefits is conditioned upon the named executive officer delivering and not revoking a separation agreement and general release of claims substantially in a form prescribed by us. Further, the executive must agree that for a two-year period following his or her termination that executive will not (i) solicit any Limelight employee (sometimes excepting the executive's personal administrative assistant) for employment other than with Limelight, and (ii) engage in competition with or have an ownership interest in a business that competes with us.

## **Retirement Benefits under the 401(k) Plan, ESPP, Executive Perquisites, and Generally Available Benefit Programs**

In fiscal 2019, named executive officers were eligible to participate in the health and welfare programs that are generally available to other Limelight employees, including medical, dental, vision, group life, short-term and long-term disability and supplemental insurance.

We also maintain a tax-qualified 401(k) plan, and an ESPP, which are broadly available to our general U.S. based employee population. Under the 401(k) plan, all of our employees are eligible to participate. We provide a matching contribution as follows: a dollar-for-dollar (100%) match on an eligible employee's deferral that does not exceed three percent (3%) of compensation for the year and a fifty percent (50%) match on the next two percent (2%) of the employee's deferrals. We do not provide defined benefit pension plans or defined contribution retirement plans to our executive officers or other employees other than (i) the 401(k) plan or (ii) as required in certain countries other than the United States for legal or competitive reasons. Under the ESPP, eligible participants, including our named executive officers, may purchase shares of our common stock at 85% of the lower price on either the first day of a six-month offering period, or the last day of that offering period. There are two offering periods each year, and participants may purchase up to \$25,000 in our common stock under the ESPP each calendar year. Subject to the number of shares remaining in the share reserve, the maximum number of shares purchasable by any participant on any one purchase date for any purchase period, including the current period, may not exceed 5,000 shares.

The 401(k) plan, ESPP, and other generally available benefit programs allow us to remain competitive, and we believe that the availability of such benefit programs enhances employee loyalty and productivity. The benefit programs are primarily intended to provide all eligible employees with competitive and quality healthcare, financial protection for retirement, and enhanced health and productivity. These benefit programs typically do not factor into decisions regarding executive compensation packages. The Board or Compensation Committee, at its discretion, can also authorize certain executive perquisites. Other than the housing allowance for Mr. Lento, none were authorized for fiscal 2019.

### **Accounting, Tax, and Other Considerations**

In the Compensation Committee's review and establishment of compensation programs and payments for fiscal 2019, the Compensation Committee considered, but did not place great emphasis on, the anticipated accounting and tax treatment of our compensation programs and payments by us to our executive officers. While we may consider accounting and tax treatment in the future, these factors alone are not dispositive. Among other factors that receive greater consideration are the net costs to us and our ability to effectively administer executive compensation in the short- and long-term interests of stockholders under a proposed compensation arrangement.

For tax years beginning before January 1, 2018, Internal Revenue Code Section 162(m) limits the amount that we may deduct for compensation paid to our Chief Executive Officer and to each of our three most highly compensated officers (other than our Chief Financial Officer) to \$1,000,000 per person, unless certain exemption requirements are met. Exemptions to this deductibility limit may have been made for various forms of "performance-based" compensation. Under certain regulations, compensation arising from options and restricted stock units that meet certain requirements were not subject to the \$1,000,000 cap on deductibility, and in the past we have granted equity awards that we believe met those requirements.

On December 22, 2017, the Tax Cuts and Jobs Act (the "Tax Act") was passed, which among other things amended Internal Revenue Code Section 162(m) to eliminate the "performance-based" exemption. For tax years beginning on or after January 1, 2018, Internal Revenue Code Section 162(m) limits the amount that we may deduct for compensation paid to our "covered employees" to \$1,000,000 per person. "Covered employees" generally include our Chief Executive Officer and each of our three most highly compensated officers. In addition, under the Tax Act, once an executive becomes a "covered employee" under Internal Revenue Code Section 162(m), the individual will continue to be a "covered employee" as long as he or she remains employed by the company. The changes under the Tax Act will cause more of our compensation to be non-deductible under Internal Revenue Code Section 162(m) in the future and will eliminate the Company's ability to structure performance-based awards to be exempt from Internal Revenue Code Section 162(m).

### **Section 409A of the Internal Revenue Code**

Internal Revenue Code Section 409A ("Section 409A") imposes additional significant taxes in the event that an executive officer, director or service provider receives "deferred compensation" that does not satisfy the requirements of Section 409A. Although we do not maintain a traditional nonqualified deferred compensation plan, Section 409A does apply to certain severance arrangements and equity awards. Further Limelight intends to structure its equity awards in a manner to either avoid the application of Section 409A or, to the extent doing so is not possible, comply with the applicable Section 409A requirements.

### **Accounting for Stock-Based Compensation**

We account for stock-based awards in accordance with the requirements of Financial Accounting Standards Board Accounting Standards Codification Topic 718, Compensation — Stock Compensation (ASC Topic 718).

**Stock Ownership Guidelines**

At this time, the Board has not adopted stock ownership guidelines with respect to the named executive officers or otherwise. However, at December 31, 2019, each of Messrs. Lento, Malhotra, Marth, DiSanto, and Silverman owned shares of Limelight stock (not counting in-the-money vested stock options) that equaled approximately 12.07, 12.42, 0.40, 7.77, and 8.36 times their then current salary, respectively.

**Hedging and Derivatives Trading Policies**

We have an insider trading policy for our employees, named executive officers, and directors that prohibits, among other things, short sales, hedging of stock ownership positions, and transactions involving derivative securities relating to our common stock. In addition, from time to time, named executive officers enter into Rule 10b5-1 trading plans; however, none were in place during fiscal 2019.

## EXECUTIVE COMPENSATION AND OTHER MATTERS

### Executive Compensation Tables

The following table sets forth information regarding the compensation to each of the individuals who served as our principal executive officer, principal financial officer, and our three most highly compensated executive officers (other than the principal executive officer or principal financial officer) during the fiscal year ended December 31, 2019. We refer to these executive officers as our named executive officers. The following table also sets forth such information for our named executive officers for fiscal years ended December 31, 2018, and December 31, 2017.

- (1) These amounts represent the aggregate grant date fair value for the Stock Awards (restricted stock units) and Option Awards (stock options) granted to our named executive officers in fiscal 2019 and in prior years, computed in accordance with ASC Topic 718, except that, in accordance with applicable SEC rules and guidance, we have disregarded estimates of forfeitures related to service-based vesting conditions. The amounts included in the Stock Awards column for any performance-based restricted stock units are calculated based on the probable satisfaction of the performance conditions for such awards at the time of grant. A discussion of the assumptions used in the calculation of these amounts for awards granted in 2019, 2018, and 2017 are included in Note 14 "Share-Based Compensation" in the "Notes to Consolidated Financial Statements" included within our Annual Report on Form 10-K for the fiscal year ended December 31, 2019. These amounts do not represent the actual amounts paid to or realized by the named executive officers during the fiscal years presented.
- (2) For fiscal 2019, Messrs. Lento, Malhotra, and DiSanto each elected to take 50% of their 2019 salary in fully-vested stock instead of cash pursuant to the 2019 stock for salary program. The grant date fair market value of these awards are included in this column. The program was in effect from February 1, 2019 through September 30, 2019, when it expired pursuant to its terms.
- (3) Represents, among other things, amounts paid for health and life insurance for the employee and the employee's family members for each of the named executive officers and company matches on 401(k) accounts. Amounts also include \$28,800 in a housing allowance in 2019 for Mr. Lento for housing maintained away from his home office.
- (4) From February 1, 2019 through September 30, 2019, Messrs. Lento, Malhotra, and DiSanto each elected to take 50% of their 2019 salary in fully-vested stock instead of cash pursuant to the 2019 stock for salary program.
- (5) Applying the formula to determine payouts under the 2019 Management Bonus Plan (the "Plan") would have resulted in a payout of approximately 10% of the total target amount. Amounts reflecting this Plan achievement portion are included in the non-equity incentive plan compensation column. However, the Compensation Committee acknowledged that despite Limelight's performance under the 2019 Management Bonus Plan, Limelight achieved strong financial performance in the second half of 2019, record revenue and revenue growth rates in the fourth quarter, important operational metrics, and it increased shareholder value throughout fiscal 2019. The Compensation Committee determined that it was in the best interests of Limelight and the stockholders to exercise discretion within its authority in awarding bonus payment with respect to all 2019 Management Bonus Plan participants at up to 50% of target. Payouts would consist of the bonus paid in fully-vested restricted stock units in two installments following the release of the financial results for the first and second quarter of 2020. Participants included Limelight's principal executive officer, principal financial officer, and the other named executive officers. Amounts in the bonus column for 2019 reflect the difference between 50% of target bonus expected to be paid out and the amount that would have been paid out using the Plan formula (10%). Within the amounts in the bonus column is the 40% target bonus expected to be paid in fully-vested restricted stock units.

- (6) Applying the formula to determine payouts under the 2018 Management Bonus Plan (the "Plan") would have resulted in a payout of 40% of the total target amount. Amounts reflecting this Plan achievement portion are included in the non-equity incentive plan compensation column. However, the Compensation Committee acknowledged that, despite Limelight's performance against the Plan, there was significant progress made in 2018 by Limelight toward its long-term operational and financial goals. Also, in 2018, Limelight achieved company records in full year revenue, gross margin, non-GAAP earnings, adjusted EBITDA, and net promoter score, while ending the year with more cash, cash equivalents, and marketable securities than it began the year with. The committee also acknowledged challenging market conditions and recent performance of Limelight's stock, and determined that it was in the best interests of Limelight and the stockholders for the committee to exercise discretion within its authority in awarding bonus payouts and set the payout to all Plan participants at 100% of target. Payouts would consist of 50% of the target bonus paid in cash and 50% of the target bonus paid in fully-vested restricted stock units. Participants included Limelight's principal executive officer, principal financial officer, and the other named executive officers. Amounts in the bonus column for 2018 reflect the difference between 100% of target bonus actually paid out and the amount paid out using the Plan formula (40%). Within the amounts in the bonus column is the 50% target bonus paid in fully-vested restricted stock units.
- (7) Includes \$15,000 consulting fee for Mr. Marth in connection with work performed prior to his becoming Senior Vice President of Sales.

(1) Amounts represent participation in the 2019 Management Bonus Plan. Following the end of the year, the Compensation Committee used discretion to set the payout to all Plan participants for up to 50% of the bonus target for 2019. Payouts would consist of the bonus paid in fully-vested restricted stock units in two installments following the release of the financial results for the first and second quarter of 2020, all of which will vest immediately. See the Summary Compensation Table for actual amounts earned.

- (2) These amounts represent the aggregate grant date fair value for Option Awards and Stock Awards, each computed in accordance with ASC Topic 718, as the case may be excluding the effect of estimated forfeitures. A discussion of the assumptions used in the calculation of these amounts are included in Note 14 “Share-Based Compensation” in the “Notes to Consolidated Financial Statements” included within our Annual Report on Form 10-K for the fiscal year ended December 31, 2019. These amounts do not represent the actual amounts paid to or realized by the named executive officers during the fiscal year.

- (3) Amounts represent participation in the 2019 Stock for Salary program made pursuant to our Equity Incentive Plan. The named executive officer elected to participate in this program and receive payment of 50% of his base salary in shares of our common stock. The number of shares issued was determined by (i) dividing 1/12 of his enrolled salary by (ii) the trailing 30-day closing average of our common stock, rounded up to the nearest whole share.
- (4) One-third (1/3<sup>rd</sup>) of the restricted stock units will vest on December 1, 2020, and one-twelfth (1/12<sup>th</sup>) of the restricted stock units will vest on March 1, 2021, and an additional one-twelfth (1/12<sup>th</sup>) will vest on the first day of each June, September, December, and March thereafter for seven (7) consecutive quarters, provided the recipient continues to be a service provider through each such vesting date.
- (5) One-third (1/3<sup>rd</sup>) of the shares subject to the stock option will vest on December 1, 2020, and one-thirty-sixth (1/36<sup>th</sup>) of the stock options will vest on the 1<sup>st</sup> day of January, 2021 and will vest on the 1<sup>st</sup> day of each month thereafter until all of the stock options have vested, provided the recipient continues to be a service provider through each such vesting date.
- (6) One-quarter (1/4<sup>th</sup>) of the restricted stock units vested on March 1, 2020, and an additional one-quarter (1/4<sup>th</sup>) will vest on the annual anniversary of the first vesting date for three (3) additional years thereafter until all of the restricted stock units have vested; provided that the recipient continues to be a service provider through each such vesting date.
- (7) One-quarter (1/4<sup>th</sup>) of the shares subject to the stock option vested on February 1, 2020, and one-thirty-sixth (1/36<sup>th</sup>) of the stock options will vest on March 1, 2020 and will vest on the 1<sup>st</sup> day of each month thereafter until all of the stock options have vested; provided that the recipient continues to be a service provider through each such vesting date.

### CEO Pay Ratio

As required by Section 953(b) of the Dodd-Frank Wall Street Reform and Consumer Protection Act, and Item 402(u) of Regulation S-K, we are providing the following information for fiscal 2019 about the relationship of the annual total compensation of our employees (other than the CEO) and the annual total compensation of our CEO:

- the median of the annual total compensation of our employees (other than our CEO) was \$102,606;
- the annual total compensation of our CEO was \$3,015,122 as reflected in the Summary Compensation Table above; and
- the ratio of the annual total compensation of our CEO to the median of the annual total compensation of our employees was 29 to 1.

As permitted by SEC rules, we selected the individual who represented our median employee, by reviewing annual base salary,

commissions, annual bonus amounts, stock-based compensation (based on the grant date fair value of awards granted during 2019), perquisites, company contributions to defined contribution plans, and insurance premiums paid by the Company for all 609 individuals worldwide who were employed by us on December 31, 2019, the last day of our fiscal year (whether employed on a full-time, part-time, seasonal, or temporary basis). For employees paid in other than U.S. dollars, we converted their compensation to U.S. dollars and did not make any cost-of-living adjustments to such compensation. We did not annualize total direct compensation for employees employed by us for less than the full fiscal year.

Once we selected the individual who represented the median employee, we then calculated the annual total compensation for this employee using the same methodology we used for our named executive officers in our 2019 Summary Compensation Table to yield the median annual total compensation disclosed above.

The pay ratio reported above is a reasonable estimate calculated in a manner consistent with SEC rules based on our internal records and the methodology described above. The SEC rules for calculating the pay ratio allow companies to adopt a variety of methodologies, to apply certain exclusions, and to make reasonable estimates and assumptions that reflect their employee populations and compensation practices. Accordingly, the pay ratio reported by other companies may not be comparable to the pay ratio reported above, as other companies have different employee populations and compensation practices and may utilize different methodologies, exclusions, estimates and assumptions in calculating their own pay ratios.

#### **Pension Benefits**

None of our named executive officers participates in or has account balances in qualified or non-qualified defined benefit plans sponsored by us.

#### **Nonqualified Deferred Compensation**

None of our named executive officers participates in or has account balances in non-qualified defined contribution plans or other deferred compensation plans maintained by us.

#### **401(k) Plan**

We have established a tax-qualified employee savings and retirement plan for all employees who satisfy certain eligibility requirements, including requirements relating to age and length of service. Under our 401(k) plan, employees could elect to reduce their current compensation by up to 15% or the statutory limit, of \$19,000 in fiscal 2019, whichever was less, and have us contribute the amount of this reduction to the 401(k) plan. In addition, since January 1, 2007, we match employee deferrals as follows: a dollar-for-dollar (100%) match on an eligible employee's deferral that does not exceed 3% of compensation for the year and a fifty percent (50%) match on the next 2% of the employee's deferrals. We intend for the 401(k) plan to qualify under Section 401 of the Internal Revenue Code so that contributions by employees or by us to the 401(k) plan, and income earned on plan contributions, are not taxable to employees until withdrawn from the 401(k) plan.

#### **Director Compensation**

The independent members of our Board are eligible to receive both cash and equity compensation for their service as board members as more fully described herein. Members of management who are on the Board are not eligible for additional compensation for service as board members.

Pursuant to the Compensation Committee charter, the Compensation Committee periodically reviews and may recommend to the Board, changes to the compensation for members of our Board. In October 2017, the Compensation Committee engaged Compensia, an independent compensation consultant, to conduct a review of our director compensation program. Based on these reviews, our director compensation program included the following components during fiscal 2019:

- We will grant an equity award to a new outside director when he or she first joins the Board (the "Initial Award"). Initial Awards for outside directors will be based on a fixed value of \$175,000 and paid in restricted stock units.
- Cash compensation for each outside director consisting of: (i) an annual cash retainer of \$40,000 paid quarterly in arrears for services as an outside director; (ii) an additional annual cash retainer of \$30,000 will be paid quarterly in arrears for service by an outside director as non-executive Chairman of the Board; (iii) an additional annual cash retainer of \$20,000 paid quarterly in arrears for service by an outside director as Audit Committee Chairman; (iv) an additional annual cash retainer of \$9,000 paid quarterly in arrears for service by an outside director as a member (other than Chairman) of the Audit Committee; (v) an additional annual cash retainer of \$10,000 paid quarterly in arrears for service by an outside director as Compensation Committee Chairman; (vi) an additional annual cash retainer of \$6,000 paid quarterly in arrears for service by an outside director as a member (other than Chairman) of the Compensation Committee; and (vii) an additional annual cash retainer of \$5,000 paid quarterly in arrears for service by an outside director as Nominating and Governance Committee Chairman. No annual retainer will be paid for service by a director (other than the Chairman) as a member of the Nominating and Governance Committee.

- Annual equity compensation for each outside director (the “Annual Award”). These equity awards are automatically established in accordance with the following principles:
  - (i) the Annual Award will be based upon a fixed value (the “Fixed Value”) rather than a fixed number of stock options, restricted stock units or other equity award units;
  - (ii) the Fixed Value shall correlate to \$140,000 (or such other amount as determined in the judgment of the Compensation Committee);
  - (iii) the Compensation Committee will determine an appropriate peer group taking into consideration such factors as it deems relevant, including without limitation, total revenue, revenue growth, industry, income, and number of employees;
  - (iv) the Compensation Committee may rely upon the advice of an independent compensation consultant to the extent it deems such reliance necessary or appropriate to determine a relevant Peer Group and to identify the value of annual equity awards to directors;
  - (v) in selecting the applicable Peer Group percentile to which the Fixed Value will correlate, the Compensation Committee will consider our financial performance during the previous fiscal year, the Peer Group percentile to which the value of equity awards granted to executive management most closely correlates with the intent that the Peer Group percentile for the directors’ Annual Award will align with the Peer Group percentile to which equity awards granted to executive management most closely correlate, and such other factors as the Compensation Committee may deem relevant;
  - (vi) the Fixed Value of an Annual Award may be satisfied with an award of non-statutory stock options or with an award of restricted stock units (as those terms are defined in the Equity Incentive Plan), or a combination of both as may be determined in the judgment of the Compensation Committee at the time of setting the Fixed Value for the year. If no allocation is set, then the Fixed Value of an Annual Award will be satisfied with restricted stock units; provided however, if any director has a legal impediment to receipt of restricted stock units and notifies the Company of such impediment prior to the award and acceptance of such restricted stock units, then all of the Fixed Value of the Annual Award will be satisfied with an award of non-statutory stock options;
  - (vii) the vesting of the Annual Award shall be as set forth in the director compensation plan, the Equity Incentive Plan, and the applicable award agreements; and
  - (viii) the value of a stock option will be determined using the Black-Scholes valuation method and the value of restricted stock units will be determined using our 30 day average stock price for the 30 days preceding the valuation date.

The Compensation Committee may rely upon the advice and guidance of its independent compensation consultant in determining appropriate values. Unless otherwise determined by the Compensation Committee, the valuation date will be the date of our annual meeting of its stockholders immediately following which the Annual Award and the Annual Equity Retainer are to be granted.

During fiscal 2019, Mr. Amaral received a cash retainer for serving as Audit Committee Chairman, and Messrs. Fisher and Peterschmidt each received a cash retainer for serving as members of the Audit Committee. Mr. Peterschmidt received a cash retainer for serving as Compensation Committee Chairman, and Messrs. Fisher, Amaral, and Genereux each received a cash retainer for serving as members of the Compensation Committee. Mr. Fisher received a cash retainer for serving as Nominating and Governance Committee Chairman. Mr. Amaral received a cash retainer for serving as our non-executive Chairman.

In addition, the grant date value of all awards provided under the Equity Incentive Plan (as determined in accordance with ASC 718), plus cash compensation paid by us to any non-employee director in any calendar year, shall not exceed \$500,000.

The following table presents the compensation received by our non-employee directors during fiscal year 2019:

Name	Fees Earned or Paid in Cash (\$)	Stock Awards (\$) (1)(2)	Total (\$)
(a)	(b)	(c)	(e)
Walter D. Amaral	\$ 96,000	\$ 138,447	\$ 234,447
Jeffrey T. Fisher	60,000	138,447	198,447
David C. Peterschmidt	59,000	138,447	197,447
Scott Genereux	46,000	138,447	184,447
Doug Bewsher	40,000	138,447	178,447
Marc DeBevoise	40,000	138,447	178,447
Patricia Hadden	40,000	138,447	178,447

- (1) These amounts represent the grant date fair value for each of the Stock Awards (restricted stock units) granted to the non-management directors, as compensation for service on the Board, computed in accordance with ASC Topic 718, except that, in accordance with applicable SEC rules and guidance, we have disregarded estimates of forfeitures related to service-based vesting conditions. A discussion of the assumptions used in the calculation of these amounts for awards granted in 2019 are included in Note 14 "Share-Based Compensation" in the "Notes to Consolidated Financial Statements" included within our Annual Report on Form 10-K for the fiscal year ended December 31, 2019. These amounts do not represent the actual amounts paid to or realized by the directors during the fiscal years presented.
- (2) As of December 31, 2019, Messrs. Amaral, Fisher, and Peterschmidt each held 45,692 restricted stock units, Messrs. Genereux and Bewsher each held 51,619 restricted stock units, and Mr. DeBevoise and Ms. Hadden each held 73,857 restricted stock units. Messrs. Amaral, Fisher, and Peterschmidt each held options to purchase 173,348 shares of our common stock.

### **Delinquent Section 16(a) Reporting Compliance**

Section 16(a) of the Securities Exchange Act requires our executive officers, directors and 10% stockholders to file reports of ownership and changes in ownership with the SEC. The same persons are required to furnish us with copies of all Section 16(a) forms they file. Based solely on our review of such forms and written representations that no other reports were required during the fiscal year ended December 31, 2019, we believe that all our executive officers, directors, and 10% stockholders complied with the applicable filing requirements, with the exceptions of a Form 5 filed on February 14, 2020 on behalf of Scott Genereux and a Form 5 filed on February 14, 2020 on behalf of Doug Bewsher. In making these statements, we have relied upon examination of the copies of Forms 3, 4, and 5, and amendments thereto, provided to Limelight and the written representations of its directors, executive officers, and 10% stockholders.

### **Limitation on Liability and Indemnification Matters**

Our amended and restated certificate of incorporation contains provisions that limit the liability of our directors for monetary damages to the fullest extent permitted by Delaware law. Consequently, our directors will not be personally liable to us or our stockholders for monetary damages for any breach of fiduciary duties as directors, except liability for:

- any breach of the director's duty of loyalty to us or our stockholders;
- any act or omission not in good faith or that involves intentional misconduct or a knowing violation of law;
- unlawful payments of dividends or unlawful stock repurchases or redemptions as provided in Section 174 of the Delaware General Corporation Law; or
- any transaction from which the director derived an improper personal benefit.

Our amended and restated certificate of incorporation and amended and restated bylaws provide that we are required to indemnify our directors and officers, in each case to the fullest extent permitted by Delaware law. Our amended and restated bylaws also provide that we are obligated to advance expenses incurred by a director or officer in advance of the final disposition of any action or proceeding, and permit us to secure insurance on behalf of any officer, director, employee or other agent for any liability arising out of his or her actions in that capacity regardless of whether we would otherwise be permitted to indemnify him or her under the provisions of Delaware law. We have entered and expect to continue to enter into agreements to indemnify our directors, executive officers and other employees as determined by our Board. With specified exceptions, these agreements provide for indemnification for related expenses including, among other things, attorneys' fees, judgments, fines and settlement amounts incurred by any of these individuals in any action or proceeding. We believe that these bylaw provisions and indemnification agreements are necessary to attract and retain qualified persons as directors and officers. We also maintain directors' and officers' liability insurance.

The limitation of liability and indemnification provisions in our amended and restated certificate of incorporation and amended and restated bylaws may discourage stockholders from bringing a lawsuit against our directors and officers for breach of their fiduciary duty. They may also reduce the likelihood of derivative litigation against our directors and officers, even though an action, if successful, might benefit us and other stockholders. Further, a stockholder's investment may be adversely affected to the extent that we pay the costs of settlement and damage awards against directors and officers as required by these indemnification provisions. At present, there is no pending litigation or proceeding involving any of our directors, officers or employees for which indemnification is sought, and we are not aware of any threatened litigation that may result in claims for indemnification.

### **Equity Compensation Plan Information**

We currently maintain two equity-based compensation plans that have been approved by our stockholders - the Equity Incentive Plan, which was approved by our stockholders in May 2007, and again in June 2016, and the ESPP, which was approved by our stockholders in June 2013 and again in May 2019. The following table sets forth, for each of our equity-based compensation plans, the number of shares of our common stock subject to outstanding options and rights, the weighted-average exercise price of outstanding options, and the number of shares available for future award grants as of December 31, 2019:

Plan Category	Number of Securities to be Issued Upon Exercise of Outstanding Options, Warrants, and Rights (#)(1)	Weighted-Average Exercise Price of Outstanding Options, Warrants, and Rights (\$/share) (2)	Number of Securities Remaining Available for Future Issuance Under Equity Compensation Plans (excluding securities reflected in the first column) (#)(3)
Equity compensation plans approved by security holders	17,634,300	\$ 3.12	11,659,666
Equity compensation plans not approved by security holders	0	0	0
<b>Total</b>	<b>17,634,300</b>	<b>\$ 3.12</b>	<b>11,659,666</b>

(1) Includes outstanding stock options for 17,634,300 shares of our common stock under the Amended and Restated 2007 Equity Incentive Plan.

(2) The weighted average exercise price is calculated based solely on outstanding stock options. It does not take into account the shares issuable upon vesting of outstanding restricted stock units, which have no exercise price, or purchase rights accruing under the ESPP because the purchase right (and therefore the number of shares to be purchased) will not be determined until the end of the purchase period. Subject to the number of shares remaining in the share reserve, the maximum number of shares purchasable by any participant on any one purchase date for any purchase period, including the current period, may not exceed 5,000 shares. There are no warrants or other rights outstanding.

(3) Includes 7,420,051 shares available for issuance under the Equity Incentive Plan. The Equity Incentive Plan provides for annual increases in the number of shares available for issuance thereunder on the first day of each fiscal year equal to the least of (i) 4% of the outstanding shares of our common stock on the last day of the immediately preceding fiscal year; (ii) 4,500,000 shares; or (iii) such other amount as our Board of Directors may determine. On January 1, 2020, the number of shares reserved for issuance under the Equity Incentive Plan increased by 4,500,000 shares. The data presented in this table was calculated as of December 31, 2019 and does not reflect the January 1, 2020 increase.

This also includes 4,239,615 shares reserved for issuance under the ESPP (which number includes shares subject to purchase during the current purchase period, which commenced on November 16, 2019, and the exact number of which will not be known until the end of the purchase period on May 15, 2020).

#### CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In addition to the director and executive compensation arrangements discussed above, the following is a description of transactions since January 1, 2019, to which we have been a party in which the amount involved exceeded or will exceed \$120,000 and in which any of our directors, executive officers, beneficial holders of more than 5% of our capital stock, or entities affiliated with them, had or will have a direct or indirect material interest.

**Indemnification of Officers and Directors.** Our amended and restated certificate of incorporation and bylaws provide that we will indemnify each of our directors and officers to the fullest extent permitted by the Delaware General Corporation Law. Further, we have entered into indemnification agreements with each of our directors and officers. Please see “Limitation on Liability and Indemnification Matters” for further information on indemnification of officers and directors.

**Policies and Procedures for Related Party Transactions.** Our Board has adopted a written related party transactions policy, which is administered by the Audit Committee. This policy applies to any transaction or series of transactions in which we are a participant, the amount involved exceeds or is expected to exceed \$5,000 in any calendar year and any related person has a direct or indirect interest. For purposes of the policy, “related persons” consist of executive officers or directors, any stockholder beneficially owning more than 5% of our common stock, or immediate family members of any such persons. As provided by our Audit Committee charter and the related party transactions policy, our Audit Committee must review and approve in advance any related party transaction. All of our directors, officers, and employees are required to report to our Audit Committee any such related party transaction prior to its completion. A memorandum detailing our related party transactions is provided to the Audit Committee on a quarterly basis as required. The Audit Committee reviews and approves the related party memorandum with such approval being documented in the minutes of the Audit Committee meeting in which the related party memorandum is presented. Prior to the creation of our Audit Committee, our full Board reviewed related party transactions. For 2019, other than the items described above, there were no related party transactions.

#### **Board Independence**

The Board has determined that each of its current directors, except Robert A. Lento, has no material relationship with Limelight and is independent within the meaning of Nasdaq director independence standards, as currently in effect.

**PROPOSAL THREE: NON-BINDING ADVISORY APPROVAL OF THE COMPENSATION OF  
LIMELIGHT'S NAMED EXECUTIVE OFFICERS**

Stockholders have an opportunity to cast a non-binding advisory vote on the compensation of executives as disclosed in this Proxy Statement. This proposal, commonly known as a "Say on Pay" proposal, gives stockholders the opportunity to approve, reject or abstain from voting with respect to our fiscal 2019 executive compensation programs and policies and the compensation paid to the named executive officers.

As discussed in the Compensation Discussion and Analysis section of this Proxy Statement, the primary objective of our compensation program, including our executive compensation program, is to attract, motivate and retain talented executives responsible for the success of Limelight, which operates in an extremely competitive and rapidly changing part of the high technology industry.

This proposal allows our stockholders to express their opinions regarding the decisions of the Compensation Committee on the prior year's annual compensation to the named executive officers. Your non-binding advisory vote will serve as an additional tool to guide the Board and the Compensation Committee in continuing to improve the alignment of our executive compensation programs with the interests of Limelight and its stockholders, and is consistent with our commitment to high standards of corporate governance.

**Vote Required**

If a quorum is present, approval of this proposal requires the affirmative vote of the holders of a majority of the shares present and entitled to vote on the proposal. Abstentions will have the effect of a neutral vote and broker non-votes will have no effect on the outcome of the vote.

Because the vote on this proposal is non-binding and advisory in nature, it will not affect any compensation already paid or awarded to any named executive officer and will not be binding on or overrule any decisions by the Board; it will not create or imply any additional fiduciary duty on the part of the Board, and it will not restrict or limit the ability of stockholders to make proposals for inclusion in proxy materials related to executive compensation. The vote on this proposal is provided as required pursuant to section 14A of the Securities Exchange Act, as amended. The Compensation Committee will take into account the outcome of the vote when considering future compensation arrangements for our named executive officers.

Stockholders are being asked to vote on the following resolution:

**RESOLVED**, that the compensation paid to Limelight's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis section of this Proxy Statement, compensation tables and the accompanying narrative, is hereby approved.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE  
"FOR" THE NON-BINDING ADVISORY APPROVAL OF THE COMPENSATION  
OF LIMELIGHT'S NAMED EXECUTIVE OFFICERS.**
